The White House
3 Bed House For Sale in Virgin Gorda

Description

This traditional family home has an open floor plan which creates a Great Room of comfortable size. White-washed cathedral ceilings open the space for a light airy feel. The drawing room and formal dining area overlook a casual family room and modern kitchen with centre island and barstools. A covered porch off the drawing room ties indoor-outdoor spaces for a truly tropical feel. Just off the kitchen another porch accesses a balcony on the upper level for easy enjoyment of the ocean view. Off the kitchen is the spacious master suite with walk-in closet. Off the drawing room are the two guest suites with shared bathroom. A step out from the Great Room accesses the free-form pool and sun deck. Purposefully designed and manicured tropical gardens…
