Quito's Inn, Gazebo and Event Space

21 Bed Commercial For Sale in Tortola

Description

Quito, a self taught musician and painter, is a BVI icon. He started the reggae beat in Cane Garden bay in 1983 with the establishment of the first Quito's Gazebo and The Olde Works Inn. Since then there have been many incarnations of the Gazebo, some by the hands of man and a couple by hurricane. In 2015, ground was broken on the new Quito's Inn on the site of the Olde Works Inn. Rain stopped play in 2017 (and the 200 mph plus winds from Hurricane Irma didn't help either!). Completed in 2019 and right on the beautiful sandy beach and anchorage at Cane Garden Bay , the BVI's most recently built, 21 key luxury hotel is every bit as unique and special as Quito himself. Just like its namesake, the hotel exudes an air of tranquility, relaxation...
