

Turnkey 2 Bedroom Waterfront Townhouse with Dock - SOLD No 9 Nanny
Cay Marina - SOLD
2 Bed House For Sale in Tortola

Description

The waterfront townhouses with docks at Nanny Cay Marina, the BVI's largest working marina, were our best sellers before the storms of 2017. Having survived with very little damage and better than the majority of buildings on Tortola, they are now more popular than ever. No 9 is a two bedroom 2 bathroom waterfront townhouse with dock situated in a very quiet spot jsut across from the hotel. What was the attraction before the storms? A newly constructed waterfront home with a dock, finished to a high standard with custom cabinetry, fixtures and fittings, fully furnished and turn key, located in a thriving, vibrant marina community. All that remains true. That community took some licks during the storms, as they say, but has come back stronger...
