6 Bed House For Sale in Virgin Gorda

Description

On the small but magical Caribbean island of Virgin Gorda in the British Virgin Islands, there are only a handful of truly iconic homesites. Colison Point, the majestic peninsula which sits tall and proud above the Little Dix Bay Estate, Virgin Gorda Yacht Harbour and Spanish Town, is such a site. This spectacular private Estate home sits on 4 acres and provides more than 270 degrees of some of the most breathtaking ocean, island and sunset views to be found anywhere in the Caribbean. Designed, constructed and maintained to the highest of standards, homes like this only come up for sale once in every other generation. From the natural local stone faced walls to the Moroccan plaster interior finishes, the details are extraordinary. With approx...
