

Lavenda Breeze

3 Bed House For Sale in Anegada

Description

Lavenda Breeze is an extraordinary villa on the fantastic island of Anegada in the British Virgin Islands. Anegada lies 12 miles north of Virgin Gorda and Tortola and is the most remote of the BVIs. It looks different, too: totally flat, non-volcanic and protected by miles and miles of fish-filled coral reef. Anegada's 15 contiguous miles of pristine, undeveloped white sand beaches are delectable. Lavenda Breeze is located right on famous Loblolly Bay, one of the five best snorkeling beaches in the Caribbean*. People hardly have words to describe the beauty of the beach. On TripAdvisor one visitor wrote "Loblolly Bay...a little piece of Heaven".** This is truly one of the most beautiful beaches anywhere. Lavenda Breeze itself is luxury beachfront...
