

Katsura - under contract

House For Sale in Virgin Gorda

Description

Coldwell Banker BVI is delighted to present Villa Katsura, a 23,500 sq ft home on the Little Dix Bay peninsula, far surpassing any property currently on the market in the BVI. Set in almost 3 acres of manicured gardens, this peaceful hideaway offers the ultimate in luxurious island living and full access to the amenities of Little Dix Bay Resort. Villa Katsura was completed in 2014 after seven years of painstaking craftsmanship that blends Asian tranquility with the ultimate in Caribbean ocean views. Ongoing meticulous maintenance has resulted in a house truly second to none. Only materials of the highest quality were used in the construction including an impressive array of woods from around the world. Whilst the superb architecture and stunning...
