3 Bed House For Sale in Virgin Gorda

Description

Nestled amongst the boulders for which Virgin Gorda is famous, within the Princess Quarters Residential Estate, Casablanca was designed and built by a couple that has spent over 30 years managing one of the BVI's most luxurious private Estate Homes. What is clear from the design and finish quality of Casablanca is that they learned a thing or two along the way! Their home is absolutely stunning. Its a cliché but the moment you enter this delightful property, not only does the view take your breath away, so too does the incredible intention to detail and quality of almost everything about this home. The owners picked the spot with good reason. Experience taught them that this lot, which is just under half an acre, benefits from a great breeze,...
