

Makere House

1 Bed House To Let in Tortola

Description

Makere House is one of those rare properties that charms you completely from the moment you pull in to the driveway. The combination of the stunning view of the ocean, combined with the bright petals of the Bourgainvillea blossom and fruit trees alongside the white washed walls and blue shutters, all set the scene for a place that gives you a true sense of home. From the driveway you enter Makere House with it?s huge wrap around covered deck. This provides a fabulous vantage point and a shady place to lounge in the tradewinds. There is an open plan kitchen with breakfast bar opening to a sitting room area a master bedroom and en suite bathroom. It is not just the charm of the house and its shaded tropical gardens that is so appealing to the...
