House + Adjacent Land

4 Bed House For Sale in Tortola

Description

The price on Kyonville just dropped significantly from \$1.7m to \$.1495m. Now represents excellent value! On the eastern hillside of Brewer's Bay is a spacious two storey house that is a lovely family home with an additional vacation or long term rental unit. The location is fantastic as it is less than 10 minutes drive to Road Town, and also walking distance to one of the BVI's most beautiful beaches, Brewer's Bay. And the views aren't bad either! During the day you can see the clear blue Caribbean waters from every room, with views over Brewer's bay itself and then Jost Van Dyke and St Thomas beyond. As the sun begins to go down at the end of each day you have front row seats to simply stunning Caribbean sunsets! When you enter the gated property...
