

Hideaway

2 Bed Villa For Sale in Jost Van Dyke

Description

Sandy Ground Estate on Jost Van Dyke is simply stunning. This beautiful and idyllic residential community, comprised of less than ten homeowners who share docks and a small half crescent sandy beach, is the very definition of Paradise. Accessed by water and road this is the very best of all worlds, a private and tranquil retreat combined with accessibility and connectivity (Wi-Fi and electricity are readily available). Homes rarely become available here, and Red Coral are truly delighted to bring Hideaway to the market. A much loved two-bedroom home this property is enjoyed by the current owners throughout the year as well as guests who rent it as a vacation home. There are breathtaking views of the ocean and surrounding islands from every room...
