

057 Colibri House

2 Bed Property For Sale in Tortola

Description

Welcome to Colibri House! If you like living among trees in a natural forest setting and don't want a pool because Smuggler's Cove is just a short footpath away, this house will be great for you. It is located in one of the best settings of Belmont Estate, on the North shore of West End, Tortola. Belmont Estate is one of the best locations on the island because it faces North, meaning it is partly protected from the sun and gets more rain than the South shore. It, therefore, has more trees and is shadier. People come from other parts of the island to walk or jog on the estate. Colibri House is high enough above sea level to view Jost van Dyke, Sandy Cay and Green Cay, and the small Western islands above Gun Point. Yet it has a short path...
