Land For Sale in Virgin Gorda

Description

Listing ID: 206 A developer’s opportunity to build a small resort or family estate compound. It is often very hard to find 2 acres of land for sale in Virgin Gorda. This is a unique chance to make an investment that would provide a high ROI, long term appreciation, and a chance to build exactly what you want. The 2.25 acres is split up into 3 parcels that are next to each other and has a private road that allows access to the neighbors. The road is paved and electricity is already underground.
