

Multiple Boulder Neighborhood Homesites – Oil Nut Bay

Land For Sale in Virgin Gorda

Description

Resting on the southeast bluffs of Oil Nut Bay, the waterfront Boulder home sites showcase sweeping views of the open Caribbean Sea and offer majestic whale sightings. Designed to accommodate grand homes built into the spectacular boulders of the bluffs, each of the eight sites is sheltered by the more untamed, ‘wild side’ of the island and provides absolute privacy. Experience the raw, natural beauty of the island in its purest form when you build your home amongst the boulders.
