4 Bed Property For Sale in St. Peter Port

Description

This distinctive, detached 1930’s house enjoys jaw dropping sea and island views from its commanding position overlooking the mouth of St Peter Port Harbour. With lift access the outlook is easily appreciated from all floors, but most particularly from the living room on the third, with its panoramic sweep taking in The Town Church, the boating marinas, Herm, Sark, Jethou and Alderney. France can be viewed on a clear day! Conveniently tucked away on a quiet lane on the edge of the St Peter Port business centre, the property also offers a high degree of privacy with its gated access, plus excellent facilities including ample parking, double garage and large store. The property is dated but given its unique location it offers great potential...
