

Confidential Residential Investment
Property For Sale in St. Peter Port

Description

An excellent investment property, conveniently located in town. The property has been completely refurbished over the last couple of years and comprises four one-bedroom apartments and one bedsit. Two of the apartments benefit from access to a shared garden. The units are fully let, currently generating an annual rental income of approximately £72,000. Please contact Matt Brouard or Ben McVey for further details.
