

Hillmount
3 Bed Property For Sale in St. Peter Port

Description

Cranfords are pleased to offer Hillmount to the local market being a wooden framed three bedroom bungalow situated in the popular location of Les Vardes. The property is in need of complete renovation however it does sit on a reasonable size plot giving scope with the relevant permissions to demolish the existing property to develop the site with multiple units. Overall this is a great opportunity for a full renovation project or development.
