

Park View

5 Bed Property For Sale in Vale

Description

Cranfords are delighted to present Park View to the local market. Ideally situated along Braye Road and within easy reach of the Bridge’s amenities, this deceptively spacious home offers up to five well-proportioned, bright, and airy bedrooms. Previously arranged as a multi-generational property with two distinct living areas, Park View provides excellent flexibility and scope to suit a wide range of family needs. Externally, the property benefits from ample parking at the front for multiple vehicles, while to the rear a sunny, low-maintenance garden and patio create the perfect setting for relaxing or entertaining. Although some areas would benefit from modernisation, Park View offers superb potential for a new owner to add their own style...
