

12 Westerbrook

Property For Sale in St. Sampson's

Description

Cranfords are delighted to present 12 Westerbrook to the local market, a commercially licensed property formerly serving as the headquarters of Island FM. Set back from the Bridge, the building enjoys a private position and offers a versatile layout comprising multiple offices, studio spaces, and parking for up to seven vehicles. This presents an excellent opportunity for a new business venture or for companies seeking to upgrade their existing premises. While the property would benefit from some modernisation, it provides substantial scope for development, with generous space throughout and significant potential to tailor it to a variety of commercial uses. Viewing is highly recommended to fully appreciate the scale and opportunity this property...
