

Moulin Du Milieu

5 Bed Property For Sale in Castel

Description

This imposing Listed property is located in the heart of the Castel overlooking rural fields and still within a short drive to the West Coast beaches. The property is split into three apartments which will require renovating and upgrading and will eventually give two 2 bedroom and one 1 bedroom units. Outside there is parking for each unit, a large granite barn (which with the relevant permissions could also be converted to create residential accommodation) and a raised garden/wooded area giving elevated views of the valley. This property offers good development potential with some of the major works including a new roof, fascia, soffits and guttering already being completed saving some of the costs to finish the scheme.
