

5 College Street
 5 Bed Property For Sale in St. Peter Port

Description

5 College Street is a category D Open Market house located on the outskirts of the Town centre. The layout has been utilised to provide accommodation for multiple occupancy and can either carry on for this purpose or can be converted back to a family home and reverted back to a category A. Presently the ground floor has a large double bedroom, a kitchen, conservatory/Dining room and a lounge. The first floor has a bathroom, two double bedrooms and a single/study, whilst the top floor has a large double room and a bathroom. Outside the property has a rear garden and to the side a small garage. Needing some cosmetic upgrading this would make a good investment or a blank canvas to create a lovely family home.
