

La Cozette
5 Bed Land For Sale in St. Martin's

Description

La Cozette is an exciting opportunity to purchase a prime site within the parish of St Martin, bordering St Peter Port. Tucked away in the beautiful, St Peters valley with a rural outlook, the site has had plans designed to create a stunning, 4200 sq ft french oak framed house with five bedrooms, six bathrooms, open-plan living and double garage all set in a gated, acre of beautiful landscaped gardens. The luxurious, Bonsai design is to be a thermally efficient home with low running costs and exquisitely detailed to a buyers exact specification. The proposed build will be elevated off ground level and has also been cleverly sited on the plot to provide maximum privacy. Please contact the office for further information. N.B. Price on application...
