

Six Eighty One

3 Bed Property For Sale in St. Peter's

Description

Six Eighty One represents an extraordinary fusion of history and modern comfort, a property quite unlike anything previously offered on the Guernsey property market. Discreetly positioned on the island’s sought-after west coast, between Rocquaine and L'Eree Bay, this remarkable home began life as a World War II coastal defence bunker. Originally constructed during the occupation, the structure has, over years of restoration, been transformed into a bright, spacious and highly distinctive family residence and is believed to be the only fully converted bunker on British soil. Six Eighty One is a home that must be experienced in person to be fully appreciated. A rare opportunity to own not just a property, but a piece of history re-imagined...
