

Three Little Pigs, Moullin Cottages  
 3 Bed Property For Sale in St. Peter Port

## Description

A property which has been extensively renovated by the current owner, to create a one bedroom self-contained flat with its own access and a spacious two bedroom maisonette on the upper floors. The flexible layout means that the property can be utilised as a three/four bedroom house, or alternately provide accommodation for a dependent relative, or a source of rental income. Enjoying lovely sea and island views from the front aspect, the property is presented in walk-in condition throughout and also has the benefit of parking for two vehicles to the rear of the building. A very deceptive property, which must be viewed to be fully appreciated.
