3 Bed Property For Sale in St. Peter Port

Description

A semi-detached property located in a secluded off-road position, with a large garden on the outskirts of St Peter Port, close to local amenities. Requiring full renovation throughout, the property is laid out over four floors and comprises a separate kitchen, lounge/diner overlooking the garden, three generously sized double bedrooms, a bathroom, utility and attic room. Externally the property further benefits from an extensive tiered garden, mainly laid to lawn and the property. There is plenty of scope for development and extension (subject to planning permissions), with good on-street parking in the area. Internal viewings for cash buyers recommended, due to the condition of the property and level of works required.
