3 Bed Property For Sale in St. Sampson's

Description

Neatly positioned in a quiet section of this convenient lane close to the amenities of the Bridge, this semi-detached property has been largely renovated – including a new heating and hot water system – and now offers spacious and versatile accommodation. There are elements of finishing off that will be required but in essence this is a smart house with two modern bathrooms (one with a practical utility area), a lovely kitchen/living room extension to the rear, three double bedrooms and generous storage options throughout. There is also an option of using the downstairs bedroom as a lounge. Outside there is parking for one large car and to the rear there is an enclosed garden with lawn and decking area. The property is being sold...
