

Le Murier Cottage

2 Bed Property For Sale in St. Sampson's

Description

This versatile cottage is situated in a convenient location for schools and amenities and offers a purchaser the chance to enhance. In need of modernisation, it does have the potential to be a unique, characterful and flexible family home with the opportunity to provide multi-generational living. Of particular note is the wind-and-watertight detached dower unit that could easily be completed internally with minimal fuss as well as a separate workshop and a terraced garden. The main cottage has two bedrooms, good reception space and lean-to kitchen and bathroom, all of which could be upgraded to create a well balanced property and comfortable home. There is parking for up to three cars.
