3 Bed Property For Sale in St. Sampson's

Description

Two brand new spacious properties located a short walk from the Seafront, along with nearby amenities in both St Peter Port centre and the bridge. These properties have been completed to a high standard, such as Neff appliances in the kitchen. The large open plan living area opens out via bi-folding doors to a low maintenance patio and lawned area which in turn provides access to a further parking space at the rear. The bedrooms are bright and airy throughout and are serviced by an ensuite shower room on the top floor and a three piece suite on the 1st floor. To the front there is parking for one car. 1 & 2 La Rochelle are fresh and ready to go. Could this be a place you could call Home, sweet Home? Contact us to arrange a viewing.
