4 Bed Property For Sale in St. Peter Port

Description

This attractive four to five bedroom is ideally positioned on the outskirts of St Peter Port, offering generous and versatile accommodation arranged over four floors, along with the benefit of a sunny south-facing garden and patio. The lower ground floor forms the heart of the home, featuring a modern open-plan kitchen and living space that flows naturally to the outdoor areas — ideal for everyday living and entertaining. The south-facing garden and patio enjoy excellent natural light throughout the day. On the ground floor, the property provides highly flexible accommodation, currently arranged to include a sitting room, study, and an additional bedroom, making it well suited to families, home...
