

Second Floor Offices, Anson Court, St Martin

Commercial To Let in St. Martin's

Description

The building has three floors of office accommodation which are due to be refurbished in the next few months. The CGI images show how the offices could look after refurbishment. All floors can be rented separately or a combination to suit requirements. The ground floor, at the entrance there are stairs to the upper floors and entrance to the ground floor offices where there is a reception, board room and 2 meeting rooms plus an open plan office with a drinks station. The meeting rooms and board room are served by a kitchen and ladies and gent’s toilets. The first floor is a similar layout as the ground floor with 3 meeting rooms/ directors offices and lobby area beyond which is an open plan office served by a kitchen and ladies and gent’s...
