Property For Sale in St. Peter Port

Description

An exciting opportunity to acquire the La Fosse House development, with planning permission in place to demolish the existing property and construct a contemporary block of three luxury apartments, together with a bespoke two bedroom bungalow to the rear. Alternatively, there is also the option to keep the existing structure and create lodging/staff house. Ideally located in St Peter Port, the site is just a short stroll from the Town Centre and its full range of amenities. This exceptional opportunity allows a purchaser to oversee the creation of a high quality, fully bespoke development, from demolition through to final completion, or renovation of the existing structure. Ideal for investors.
