4 Bed Property For Sale in St. Peter Port

Description

This family home is deceptively spacious owing to a stunning extension built by the current owners. The property is in move-in condition but the master bedroom and en-suite requires completion. Membury is located in a convenient area of St Peter Port with schools, Beau Sejour and town within walking distance. Accommodation comprises kitchen/lounge/diner, living room, four bedrooms, two bathrooms, utility and a WC. To the rear is a south facing garden accessed via bi-folding doors from the superb living space. The garden also has the benefit of a detached cabin/studio with power and lighting.
