

Chamberlain House

4 Bed Property For Sale in St. Peter Port

Description

If you want a home of exceptional space, filled with natural light and enjoying superb panoramic sea and island views, Chamberlain House could prove ideal. Built on rising ground on the much favoured Fort George development, its elevation and large expanses of window ensures that the beautiful views are seen from a number of its rooms. Most of the main living areas are set around a central courtyard housing the heated swimming pool whilst the bedrooms are grouped together away from the bustle of the reception rooms. It has a total of four bedrooms including three full suites with the fourth bedroom either usable on its own or as a sitting room or study to the master suite. The accommodation is highly flexible and currently includes a sumptuous,...
