Apartment 6 Valnord Apartments
2 Bed Property For Sale in St. Peter Port

Description

This superb new development has transformed an attractive granite warehouse into an exclusive collection of ten beautifully appointed apartments on the outskirts of St Peter Port. Sympathetically renovated by a highly regarded local developer, the scheme successfully blends the character of the original building with contemporary design and modern living. Apartment 6 is a two-bedroom apartment, finished to an excellent specification throughout. The apartment benefits from secure underground parking for one vehicle, together with a private gated storage unit, providing both convenience and practicality. Ideally positioned within easy reach of the amenities, shops and restaurants of St Peter Port, these apartments present an outstanding opportunity…
