

La Maison Sentinelle

6 Bed Property For Sale in Vale

Description

La Maison Sentinelle stands proudly in the middle of an elevated site with some sea views to the east overlooking Herm and Jethou. The property has two driveways and offers an enviable degree of privacy. It is a fine Victorian house which has been carefully restored, retaining an abundance of character, and is beautifully presented including a new kitchen and bathrooms. The 6 bedroomed accommodation is incredibly light and bright, surrounded on all 4 sides by its own land and offers total privacy. We highly recommend viewing of the property in order to appreciate its proportions, condition and privacy.
