

Bellevue House

4 Bed Property For Sale in St. Saviour's

Description

'Bellevue House' is a modern contemporary home located a literal stones' throw from one of Guernsey's most desirable west coast beaches. Having been designed and built for the current owner with the aim of taking advantage of the breathtaking setting, works were completed in 2023. The property provides exceptional accommodation for modern day family living while benefitting from beach and sea views from nearly all aspects. In total, the accommodation extends to approximately 5,000sqft with the ground floor offering generous open plan kitchen/dining/living, a bedroom suite, practical utility and garage space while the first floor offers three further bedroom suites and a wonderful landing study area boasting a stunning sea view.
