

Central Park

4 Bed Property To Let in St. Peter Port

Description

'Central Park' is a beautifully presented four-bedroom home offering spacious and modern living in one of St Peter Port's most sought-after locations. Featuring two en suite bedrooms, the property is thoughtfully designed to provide both comfort and practicality for family living. Outside, the generous garden provides an ideal setting for families and a patio area perfect for al fresco dining and entertaining. The property also benefits from parking for two cars with plenty of on street parking also if needed. Available in September. £3,850pm. Children welcome, pets considered on a case by case basis.
