

Le Foulon House
4 Bed Property For Sale in St. Andrew's

Description

Brimming with character, Le Foulon House is a beautiful and spacious home offering old charm mixed in with new, state of the art living. There are four bedrooms and five reception rooms, providing ample space for a large family. A very comfortable home with scope for further enhancement. Externally, the property is approached via a long private driveway where there is plenty of parking. Lovely south facing gardens laid to lawn, a pretty paved courtyard, offering a great spot for al fresco dining, a swimming pool, a granite built pagoda and pretty vine house. Le Foulon House is property not to be missed.
