4 Bed Property For Sale in St. Peter Port

Description

This highly stylish Town house was built just a few years ago to a very high specification and enjoys superb views across adjacent agricultural land and stunning sea views towards the East coast and offshore Islands. Laid out over four floors, the property provides four bedrooms serviced by three bath/shower rooms and a WC/cloakroom, a beautifully fitted kitchen/dining/family area with bi-fold doors opening onto the gardens and a superb first floor lounge with bi-fold doors opening again onto a terrace and enjoying strong views. The master bedroom provides a large walk-in dressing area, ensuite bathroom and terrace, whilst completing the accommodation is a lower ground floor double garage and utility room. Low maintenance and high in quality...
