

Crevichon, 1 Clifton Terrace
 3 Bed Property For Sale in St. Peter Port

Description

Extensively renovated over the last seven years, this delightful home provides an excellent balance between reception space and bedrooms, whilst still exuding all the charm and character one would expect from this period home. Set against a back drop of views towards the east coast, offshore Islands and Castle Cornet from the upper floors, the property offers three large bedrooms served by two bathrooms, whilst the ground floor is given over to two classical reception rooms and the lower ground floor to a superb open kitchen / dining room and separate utility area. With generous enclosed gardens on two levels and rented parking available in the immediate vicinity, this is a fantastic example of a Regency house re-engineered for today's...
