

St. James's Place

3 Bed Property For Sale in St. Peter Port

Description

From the roadside St. James’s Place appears to be a classic town house but what lies behind the front door is something truly special. In recent years the current owners, together with an award winning architect, have transformed the property to provide a well-balanced family home spread over four floors. The high spec finish, together with a particular attention to detail make this a fantastic home with a modern contemporary twist. Starting in the basement there is a home cinema, gym, shower room and utility. On the ground floor is a lounge and dining room which leads into the spectacular kitchen and family room giving access to the rear garden. The first floor offers two bedroom and a bathroom and the top floor has the main bedroom with...
