5 Bed Property For Sale in Castel

Description

Tucked away on a clos in the heart of the Castel, not far from Sausmarez Park and the West Coast, this deceptively spacious home has been thoroughly renovated by the current owners over the last twelve months. The result is a stylish home which currently offers three double bedrooms but, thanks to the creation of an extremely large first floor lounge, could easily be adapted to provide two further bedrooms if needed. The reception rooms include the aforementioned first floor lounge together with an extremely large Sitting Room / Dining Room complete with vaulted ceilings, a Sun Room and a stylish Kitchen / Breakfast Room. Externally there are lawned gardens, parking for three cars and an enclosed paved patio area to the rear of the house. An...
