

Les Hauts Courtils
4 Bed Property For Sale in Castel

Description

Le Hauts Courtils is a very distinctive contemporary home that is built on an approximately 1.85 acre plot above an old German bunker. Designed by an award-winning architect in 2012 the house takes full advantage of its enviable elevated position and has commanding Sea and Country views over the beautiful West Coast of Guernsey. The layout is designed with easy low maintenance, modern family living in mind and every opportunity has been taken to capture the spectacular outlook from each room and channel light into the house. The accommodation itself offers a very large kitchen/entertaining space, study area, sitting room, 4-bedroom suites, a sizeable home office and gym. There is garaging for three cars, and outside a secluded sheltered sunny...
