

White Lodge
4 Bed Property For Sale in St. Peter Port

Description

White Lodge sits at the edge of St Peter Port in a great residential area and enjoys wonderful sea views across to Guernsey's neighbouring Islands and Castle Cornet at the edge of the harbour. The house offers 4 bedrooms and its dated interior offers a wonderful opportunity for modernisation or perhaps even redevelopment. The gardens are an absolute delight – a south facing rear patio enjoys views to the east and the mature garden is walled and offers a high degree of privacy. A brick driveway leads up to the parking area for a number of cars. It is rare to find a detached home with sea views and a private garden so close to the town centre. Viewing is highly recommended.
