

Eaton Cottage

3 Bed Property For Sale in Vale

Description

‘Eaton Cottage’ is a charming semi detached cottage situated close to L’Ancresse Common. Set back from the already quiet lane, the property offers a large lounge, kitchen / dining room opening to the garden, double bedroom and bathroom on the ground floor whilst upstairs there are two attic bedrooms. Outside there is parking for one (which with permission could be extended) and a south facing garden at the front, whilst at the rear there is a patio and further garden area along with a large lean-to block built shed on the side of the house. The property would benefit from modernisation but gives buyers the opportunity to create a modern but traditional looking Guernsey cottage.
