

Highland View

4 Bed Property For Sale in St. Peter Port

Description

A charming detached property, in an enviable location within one of the most desirable areas of St Peter Port. 'Highland View' is situated at the end of a long private road and driveway and is completely secluded from neighbouring properties. The main house consists of three bedrooms and light filled, spacious reception rooms comprising a large lounge/dining room complimented by a sun room, whilst there is also a superb one bedroom wing, interconnected and with its own entrance. The property offers a great facility as either a family home or ideal for a dependant relative. Outside are delightful private mature terraced gardens and a large detached garage block and workshop/storerooms. Whilst the the property is perfectly habitable...
