

Upper Reaches

3 Bed Property For Sale in Castel

Description

‘Upper Reaches’ is a superb opportunity to acquire a cavity built bungalow on a generous sized plot in a great location. In need of cosmetic modernisation the property also has scope to extend (subject to the relevant planning permissions) making it a perfect opportunity for a prospective buyer to make their mark. The property currently consists of a kitchen, lounge/dining room, three bedrooms, study, family bathroom, separate WC, and garage. Externally, there is a garden, large packing shed which then leads through to an old vinery site with derelict glasshouses. The overall plot size measures at just over half an acre. The property benefits from an in/out driveway, and would suit a family looking to enhance the current offering,...
