

Regency House

5 Bed Property For Sale in St. Peter Port

Description

Regency House truly is the epitome of town house living. Located on the doorstep of Candie Gardens, this stunning home enjoys well proportioned, high ceilinged rooms throughout the four floors, with large windows flooding the home with light at all times. Enjoying highly flexible accommodation, the property provides up to six bedrooms served by three bath / shower rooms whilst there are also five separate reception areas - three formal rooms at ground floor level and the hub of the house below, which comprises a stylish Neptune kitchen, separate family room and snug. This latter area enjoys direct access onto the mature gardens behind the house, which comprised a mix of lawn and terraced areas, an aspect over Candie Garden, the East coast and...
