

Driftwood

3 Bed Property To Let in St. Peter Port

Description

Driftwood was rebuilt in 2015 to the most exacting of standards throughout. It is beautifully presented and located on the highly regarded Rue de Putron, close to the centre of town and yet with delightful cliffpath walks right on your doorstep. Superbly designed, it offers three stylish double bedrooms, each with fitted furniture and ensuite facilities, and lovely open plan living and entertaining spaces on the ground floor, complete with a very high quality German kitchen boasting white marble worktops and Italian antique mirrored splashbacks. The south facing gardens are private and have been heavily landscaped and planted to provide an oasis of a backdrop to the main house. A stunning home in a wonderful location.ACCOMMODATION COMPRISINGGROUND...
