

Symphony House

4 Bed Property For Sale in St. Peter Port

Description

A charming townhouse with beautiful island views, which has been tastefully upgraded, blending original features with a stunning contemporary extension. The smartly presented accommodation is split over four floors. The lower ground floor features a spacious living area leading to the private west facing rear garden, kitchen, utility room and WC. The ground floor offers a lounge and a double bedroom. The first floor comprises the master bedroom boasting breath-taking views and an ensuite shower room, and a family bathroom. The top floor has two further bedrooms. Permission (lapsed) has been granted for the conversion of the property into two separate flats. Rented parking is available nearby. Symphony House is a delightful home with huge appeal...
