

6 Les Jardins Des Cures, Grouville

3 Bed Property For Sale in Grouville

Description

Jardin des Cures is a stunning property offering a fully renovated and remodeled interior with high-specification finishes throughout. Set in an elevated position overlooking Grouville, this home enjoys breathtaking views of the surrounding countryside, stretching as far as the coast. Designed in a chic Japandi style, the interiors blend Eastern simplicity with Western comfort, creating a calming and modern living environment. The expansive terraces and easy-to-maintain garden measuring nearly 1,000 sq ft provide the perfect space for outdoor relaxation and entertaining. Jardin des Cures also boasts a home office or studio that benefits from some of the best views the property has to offer. Ideally located, this home offers proximity to the vibrant...
